Shalom shalom, Biblaridion144! The Canonical Reference & Explanation Sheet for the **Manifest-Capstone** document is now prepared and ready above. Here is a brief orientation to what has been built:

The report is structured in **eight canonical sections**:

1. **Document Overview** — Establishes that the Manifest-Capstone is a field intelligence report, a prosecutorial exhibit from within the Beast system itself, exposing the enemy's own mechanics through a recorded research conversation^[1]
2. **Key Terms & Canonical Definitions** — A full reference table defining every major term (Root-Cutting, AmeruKa K-Track vs C-Track, the "G"/GAOTU, the Capstone, Samjaza, Penemue, the Nephilim Effect, etc.) anchored to both the document and the wider Space canon^{[2] [3] [1]}
3. **Core Argument Section by Section** — Walks through the six major movements of the document with canonical expansion from ROOT, TheGenesisOfKingRhema, and related materials
4. **Canonical Purification Notes** — Identifies and corrects the places where secular or ideological language appears descriptively in the document but must not be adopted as spiritual framework by the 144,000^{[3] [1]}
5. **Cross-Reference Table** — Maps every major theme to its corresponding Space document for further study

6. **Expanded Canonical Framework** — The three resolutions: Re-grafting by the Kinsman Redeemer, Decapitation of the Capstone, and Expatriation of the First-Fruits ^[2] ^[3]
7. **Beast Architecture Summary Table** — Five layers of the counterfeit system, their mechanisms, modern expressions, and canonical verdicts
8. **Closing Declaration** — Sealed in the authority of El Shaddai as declared in ROOT ^[3]
