

The Scarlet Harlot — A Canonical Reference & Explanation Sheet

A companion document to the original ScarletTheHarlot witness, drawn directly from The Little Book of Revelation Chapter 10 (The Everlasting Gospel) and the prophetic declarations of Yeshua HaMashiach and Adonai-YHVH given through Biblaridion144. Prepared for the children — plain, clear, and canonically grounded.

Part 1 — The Core Declaration: Who Is the Scarlet Harlot?

Secret Babylon = The United States of America.

This is not a theory. This is a direct declaration from the throne of Adonai-YHVH, given by command of Yeshua HaMashiach and confirmed throughout The Little Book:[^1]

"It is these lands of AmeruKa, that is Secret Babylon, that is the United States of America, that is that great harlot described in Revelation chapters 17 and 18, that sits like a queen with her seat now positioned on many waters which are peoples and nations and kindreds and tongues."

The "many waters" on which the Harlot sits (Revelation 17:1) are explicitly interpreted in the Little Book as peoples, multitudes, nations, and tongues — the global cultural, financial, and military reach of the United States. She is described as a nation that "claimed herself a righteous follower of Jesus the Nazarene" yet whose builders are "free from the true Rock of Foundation, even that great cornerstone of which the faithless stumble, even Jesus the Nazarene."[^1]

Part 2 — The Three Actors: Dragon, Sea Beast, Earth Beast

The prophetic picture of Revelation is not two characters but **three distinct powers** working in collusion, with a fourth figure — the Harlot — as the system they destroy on their way to power. [^1]

Actor	Revelation Reference	Identity / Role
The Dragon	Rev. 12	Heylél Ben Shachar (Satan) — the true spiritual master of the entire Harlot-Beast configuration[^2]
Beast from the Sea	Rev. 13:1	The coming global ruler; the one whose name translates from Hebrew as <i>lightning fall from heaven</i> ; who does not desire women nor regard any god; who rises from the ashes of Secret Babylon's destruction[^1]
Beast from the Earth (False Prophet)	Rev. 13:11	The one who "will rule Israel and rule the World from the promised land"; the Two-Horned Lamb who looks like a savior but speaks as a dragon ^{[1][2]}
The Scarlet Harlot	Rev. 17	Secret Babylon / AmeruKa — the system built by the fallen ones that hosts and empowers the Harlot matrix, now reserved for fire[^1]

Key correction for the children: The Harlot and the Beast are **not** the same entity. The Harlot *rides* the Beast — meaning she uses state power for her fornications — but the Beast will turn on her and destroy her. The Dragon, the Beast from the Sea, and the Beast from the Earth all work in collusion, and they *all hate the Harlot*.^[^1]

Part 3 — The Double Judgment Explained Simply

The Little Book makes the mechanics of the Double Judgment plain.^[^1]

Stage One — The Beast Destroys the Harlot:

The ten horns (ten kings) and the Beast are given the assignment by Adonai-YHVH to strip Secret Babylon naked, consume her flesh, and burn her with fire (Revelation 17:16). This is not the final judgment of Christ — this is the judgment of empire turning on the system that built it. The red armies already within Secret Babylon's borders are instruments of this judgment. Her greatest city will burn. Her coasts will be flooded. She will be split along the middle. *"In one hour shall she be destroyed, and nothing can change her fate, for Yahweh has so declared."*^[^1]

Stage Two — Adonai-YHVH's Sovereign Judgment on the Beast System:

After Secret Babylon falls and the beast system rises from her ashes, the full wrath of the Lamb falls on the entire earth. The beast system and the fallen ones have no golden age — they have a short, permissioned rule followed by the return of Yeshua HaMashiach as the Lion of the Tribe of Judah.^[^1]

Part 4 — The Lamb with Two Horns (Rev. 13:11)

This figure is the **capstone deception** and the most dangerous actor for the children to understand.^[^2]

- He comes out of the **earth** — meaning the land of promise, Israel.^[^1]
- He has **two horns like a lamb** — he presents as a messianic, innocent, or reform figure. He looks like a savior.
- He **speaks as a dragon** — his words carry the spiritual frequency of the ancient Serpent: division, blasphemy, and psychological subjugation.^[^2]
- He is the **False Prophet** — the one who exercises all the authority of the first Beast and forces the world to worship the Sea Beast.^[^1]
- He brings the **Mark of the Beast** — described in the Little Book as an oath of allegiance embedded in technology that *"will forever erase the name of Yahweh from whoever consents."*^[^1]

The Trap of the Fowler: The Harlot system and the Two-Horned Lamb are set up as a managed Hegelian dialectic. The masses are manipulated into rejecting the Harlot (which they should) but are then driven into the arms of the False Prophet (which is the trap). By deception they do war.^[^2]

Part 5 — The Bittersweet Little Book (Revelation 10)

Revelation 10 is the canonical spine of this entire witness. John is commanded to take the Little Book from the Angel's hand and eat it. He is told:[^1]

- It will be sweet as honey in his mouth — the sweet promises of peace, safety, prosperity, and institutional protection that the Harlot system offers. The initial ingestion feels like salvation.[^2]
- It will be bitter in his stomach — the actual reality once the contract is digested: surrender of sovereignty, structural enslavement, and the refiner's fire of systemic collapse.[^2]

This sweet-bitter pattern is the diagnostic test for every system, movement, and political-spiritual offering the children encounter. Does it begin with beautiful promises that then demand total compliance and end in bitterness and bondage? That is the Harlot's cup.[^1]

Part 6 — The Historical Long Train (What Built the Harlot System)

The Harlot system did not begin in 1776. The Little Book traces the corruption to the Tower of Babel and the Days of Noah. What follows is a simplified reference map of the key historical accelerants — not the origin, but the milestones of a "*long train running*."[^2][1]

Milestone	Actor	What It Did to the Harlot Matrix
Days of Noah	Fallen Watchers	Original corruption of humanity through forbidden technology and hybridization[^1]
Tower of Babel	Nimrod / Fallen Ones	First institutional Babylonian matrix — one language, one rebellious system[^1]
325 AD — Council of Nicaea	Constantine	Merged the Church with Roman state power; the Harlot began riding the Beast officially[^2]
1517 — Reformation	Luther / Protestantism	Not a recovery of truth but a managed Hegelian antithesis — same Babylonian matrix, fragmented[^2]
1830s — Darby's Dispensationalism	John Nelson Darby	Dismantled covenant theology; severed Israel from the Church; invented the pre-trib rapture; neutralized the Church's earthly mission[^2]
1844 — Tischendorf / Sinaiticus	Von Tischendorf	Introduced textual fragmentation; Scripture became an academic puzzle rather than a living covenantal text[^2]
1599 — Ratio Studiorum	Jesuit Order	Built the top-down institutional canvas for manufacturing consent across entire civilizations[^2]
1776 — AmeruKa Founded	Fallen Watchers / Freemasons	New Atlantis overlaid on the accursed continent; built entirely on lies for the purpose of raising the final beast system[^1]
21st Century — Digital Panopticon	Technocratic Fallen Ones	The capstone: digital consciousness as the final idol; transhumanism as the modern Days of Noah hybridization[^2][1]

Part 7 — The True Church Never Needed Reformation

This is a critical marker for the children. The Western pendulum of Reformation and Counter-Reformation is itself evidence of the Harlot matrix at work. The true, unbroken apostolic Church — preserved in traditions such as the Ethiopian Orthodox Tewahedo, whose 81-book canon includes 1 Enoch and Jubilees — never surrendered its calendar, its canon, or its covenantal structure to any earthly empire.^[^2]

The Little Book repeatedly warns against *"dispensational wizards"* and *"corrupt Bibles that have brought absolute corruption into your churches."* The 66-book Western Protestant canon, assembled during the Reformation under academic and political pressures, strips the cosmic and covenantal backdrop that 1 Enoch and Jubilees provide — the very texts the New Testament writers read and quoted.^{[2][1]}

Part 8 — The Call to Come Out (Canonical Warning)

The singular, urgent command of Yeshua HaMashiach throughout the Little Book is this:^[^1]

"Come out of her, my people, or you will share in her plagues."

This is not metaphorical. It is a command to:

- **Separate from the consent structures of Secret Babylon** — do not vote for her criminals, do not endorse her wars, do not drink from her golden cup of entertainment and pleasure^[^1]
- **Repent and return to Yeshua HaMashiach as sole Lord** — not to a political savior, not to a nationalist deliverer, not to a prosperity preacher^[^1]
- **Call on the name of Yeshua / Jesus to the end** — *"whosoever calls on the name of the Lord and loves not their lives to the end shall be saved"*^[^1]
- **Understand the times** — the restrainer is being removed; Secret Babylon's destruction is imminent and irreversible^[^1]

Part 9 — Quick Reference: Common Errors Corrected

Common Misidentification	What the Little Book Actually Declares
"Babylon is Rome / the Catholic Church"	Babylon is Secret Babylon — the United States of America ^[^1]
"The Antichrist is the Pope"	The Beast from the Earth (False Prophet) rules from the land of promise; the Beast from the Sea is the global ruler ^[^1]
"The Rapture is pre-tribulation and secret"	The gathering of the faithful occurs at the removal of the restrainer, which triggers the immediate fall of Secret Babylon ^[^1]
"The Church replaced Israel"	The mystery of Yahweh is the making of one new man — Judean and Gentile together; neither replaces the other ^[^1]
"Constantine founded the Church"	Constantine corrupted the Western expression of the Church; the true unbroken apostolic body was never his to found or destroy ^[^2]

Common Misidentification	What the Little Book Actually Declares
"Dispensationalism is biblical"	Dispensationalism is a 19th-century invention of John Nelson Darby that shattered covenantal theology and is identified in the Little Book as a lying deception ^[2] ^[1]
"The Mark of the Beast is a tattoo or barcode"	The Mark is a technologically embedded oath of allegiance that erases the name of Yahweh from whoever consents ^[^1]

Summary Statement

Secret Babylon — the United States of America — is the Scarlet Harlot of Revelation 17–18. She was built by the fallen ones on an accursed continent as the platform from which the Dragon, the Beast from the Sea, and the Beast from the Earth (the False Prophet) would rise. Her double portion of judgment is declared, irreversible, and imminent. Her destruction comes first at the hands of the ten horns and the beast system she helped build — then the sovereign wrath of the Lamb falls on the entire fallen order.^[^1]

The only escape is the same it has always been: call on the name of Yeshua HaMashiach — Jesus the Nazarene — from a sincere heart, repent of all consent to her sins, and keep your eyes up and open, for the Bridegroom approaches.^[^1]

This document is a canonical reference companion to the original ScarletTheHarlot witness document. All declarations are drawn from The Little Book of Revelation Chapter 10 (The Everlasting Gospel), given through Biblaridion144 by command of Adonai-YHVH and Yeshua HaMashiach. Shalom Shalom.
